WORK EXPERIENCE

Senior Product Designer • Rip Road • New York, NY Jun 2022 - Dec 2025

- Integrated BLE & NFC connectivity on Rip Road's iOS & Android platform to seamlessly sync with medication auto-injectors, which increased use case adoption and generated over 650k in yearly revenue.
- Led in-app designs for injection site tracking on Rip Road's iOS & Android platform that maximized patient adherence on injectable therapies.
- Integrated real-time injection status and progress monitoring through Live Activities for Enable Injections' iOS mobile app, which increased patient satisfaction by 60%.
- Built an iOS & Android mobile app for Merck to support a clinical study that increased symptom tracking by 20%, injection adherence by 25%, and treatment satisfaction by 15%.

Senior Product Designer • Health Recovery Solutions (HRS) • New York, NY Jun 2021 - May 2022

- Guided a UX redesign of HRS' core patient product on iOS & Android, which actively monitors more than 450,000 patients and is used by more than 400 hospitals and health systems across the US.
- Built the design system for HRS' core patient product that resulted in 1:1 parity between tablet and mobile platforms on iOS and Android, and achieved Level AA WCAG compliance.
- Scaled HRS' clinical web portal to include real time inventory visibility of their remote patient monitoring equipment, beta launched with 15 hospitals and health centers across the US.

Motion Designer • Captivate • New York, NY Nov 2017 - Jun 2021

- Co-led all motion design projects for branded client campaigns across Captivate's ecosystem of 11,000+ media screens in more than 1,600 office buildings across the U.S. and Canada reaching 13M monthly viewers.

Creative Director, Digital Solutions • Panasonic • New York, NY Jan 2016 - Mar 2017

- Led design direction for all large scale, digital display installations in high-end retail locations for Puma, Perry Ellis, Acura, and Macy's in Herald Square. Delivered 80% win rate for proposals, 95% client retention for repeat projects.

Senior Art Director • TPN Retail (Omnicom) • New York, NY May 2012 - Jun 2015

- Co-led creative direction for Bank of America's customer-facing digital channel, increasing brand awareness across 4,000+ banking centers nationwide by turning complex banking products into simple, informative product benefits to customers.

Motion Designer • Freelance • New York, NY

May 2007 - Jun 2012

- **IOMEDIA** - Delivered end-to-end motion design content for iPad applications, product demos, and interactive mock-ups agency clients.
- **R/GA** - Created consumer-facing motion design content for user journeys and product demos across top client accounts – Nike, GE, Verizon, L’Oreal Paris, Taco Bell, and Alfa Romeo.
- **AT&T** - Launched AT&T’s web-based Tech Channel, hosted on YouTube with 119k subscribers.
- **Organic** - Created consumer facing motion design content for Bank of America’s Digital Signage Network and web-based digital ads.
- **Comedy Central (Viacom)** - Animated on-air promos and refreshed the network’s on-air broadcast toolkit for summer block programming.

Broadcast Designer • Sony Music • New York, NY

Sep 2002 - Mar 2007

- Created interface designs and video editorial content for all recording artists under the Sony Music record label. Collaborated with external clients to design and animate broadcast show opens, main titles and on-air promos for MTV, VH1, and HBO.
